**TOWN WARRANT
THE STATE OF NEW HAMPSHIRE**

The polls will be open from 10:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Strafford in the County of Strafford in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Strafford Elementary School in said Strafford on Tuesday, the Fourteenth (14) day of March next, at 10:00 A.M. to act upon the following subjects:

***1. To choose all necessary Town Officers for the year ensuing.

***NOTE: ALL ARTICLES EXCEPT NO. 1 WILL BE TAKEN UP AT 8:00 P.M., TUESDAY, MARCH 14, 1995 AT THE ELEMENTARY SCHOOL.

2. To see if the Town will vote to raise and appropriate the sum of One hundred fifty thousand dollars (\$150,000) for capital improvements to the following roads:

- a. First Crown Point Road (appx. .4 mi. extending from Dynamite Corner to L. Allard property) gravel, C.B.R., culverts, equipment, paving and reclamation.
- b. Leighton's Corner Road and Wingate Road (appx. 700' each extending from where they intersect near Poppema property, out to intersections with Route 126) gravel, C.B.R., culverts, equipment and paving.
- c. Old Whig Hill Road (appx. 1,000' extending from intersection with Route 202A to Tuft's driveway) gravel, C.B.R., equipment and paving.
- d. Caverly Hill (appx. 2 mi extending from intersection with the Ricky Nelson Road to intersection with Range Road near Barrington line) shim and overlay.

The Selectmen recommend this appropriation.

3. To see if the Town will vote to raise and appropriate the sum of five thousand dollars (\$5,000) to be added to the Capital Reserve Fund previously established for the purpose of establishing a storage facility for materials used in the care and maintenance of Town roads (i.e. purchase of land, structure.)

The Selectmen recommend this appropriation.

4. To see if the Town will vote to raise and appropriate the sum of Thirty-eight thousand six hundred dollars (\$38,600) for the operation and maintenance of the Strafford Fire Department and Rescue Squad.

The Selectmen recommend this appropriation.

5. To see if the Town will vote to raise and appropriate the sum of Twelve thousand five hundred dollars (\$12,500) for the following purposes.

- a. replace remaining old air packs with air packs conforming to current safety standards.
- b. to purchase individual face masks to insure proper fit, prevent leakage, and reduce possibility of infection.
- c. to purchase a carbon monoxide, oxygen, and flammable gas detector.

The Selectmen recommend this appropriation.

6. To see if the Town will vote to raise and appropriate the sum of Twenty-five thousand dollars (\$25,000) to be added to the Capital Reserve Fund previously established for the future repair and replacement of fire and rescue vehicles and/or equipment.

The Selectmen recommend this appropriation.

7. To see if the Town will vote and establish a committee to review the existing buildings and property in use by the Fire Department and make recommendations on steps to be taken to provide sanitary facilities, running water for cleaning and disinfecting fire and ambulance equipment, for compliance with State and Federal Regulations. The committee, appointed by the Selectmen, to consist of seven members, one member of the Board of Selectmen, two members of the general public, and four members of the Fire and Rescue.

The Selectmen recommend this article.

8. To see if the Town will vote to raise and appropriate the sum of Eighty-five thousand eight hundred forty dollars (\$85,840) for the operation and maintenance of the Police Department.

The Selectmen recommend this article.

9. To see if the Town will vote to raise and appropriate the sum of Twenty-two thousand nine hundred thirty dollars (\$22,930) for the purchase of a Police Vehicle (including installation of equipment, new siren, light switch panel, new radio and hardware) and authorize the withdrawal of Ten thousand dollars (\$10,000) plus interest from the Capital Reserve Fund established for this purpose. The balance of Twelve thousand nine hundred thirty dollars (\$12,930) to come from general taxation.

The Selectmen recommend this appropriation.

10. To see if the Town will vote to authorize the Selectmen to accept from the Strafford School District a Quitclaim Deed for an additional fifteen foot (15') wide area of land to the rear or westerly side and adjoin-

ing the modular building and land previously conveyed to the Town by the School District and to raise and appropriate the sum of One dollar (\$1.00) for this purpose. And to raise and appropriate the sum of Four thousand nine hundred ninety-nine dollars (\$4,999) for the construction of a garage for Police Department vehicles and equipment on this site. Total amount to be raised and appropriated by this article is the sum of Five thousand dollars (\$5,000).

The Selectmen recommend this appropriation.

11. To see if the Town will vote to raise and appropriate the sum of Twenty-nine thousand four hundred thirty-nine dollars (\$29,439) to cover the position of a full-time Police officer and benefits. This position, if voted, will be partially funded for a three (3) year period under the COPS FAST program through the U.S. Department of Justice. The anticipated funding for 1995 would be Twenty-two thousand nine hundred eight dollars (\$22,908) with the estimated balance of Six thousand five hundred thirty-one dollars (\$6,531) to come from general taxation. This article to be rescinded if grant is not awarded.

The Selectmen recommend this appropriation.

12. To see if the Town will vote to raise and appropriate the sum of Two thousand two hundred fifty dollars (\$2,250) for the purchase of reflector plates to mark numbers on homes in conjunction with the implementation of the Emergency 911 system.

The Selectmen recommend this appropriation.

13. To see if the Town will vote to raise and appropriate the sum of Five hundred seventy-eight thousand two hundred thirty-eight dollars (\$578,238) for general Town operations.

TOTAL	\$ 578,238

(The intent of this article is to raise the sum of Five hundred seventy-eight thousand two hundred thirty-eight dollars (\$578,238), exclusive of all Special Articles addressed.

The Selectmen recommend this appropriation.

14. "To see if the town will vote to accept as a public road the street known as Pioneer Lane in the Pioneer Shores subdivision located off Brown's Pasture Road. The road is approximately 2,400 feet long and was built and maintained to town specifications." (by Petition.)

The Selectmen do NOT recommend this article.

15. To see if the Town will vote to discontinue the position of Tax Collector as an elected position and to change it to an appointed position beginning at the 1996 Town Meeting date. Appointment to be made by the Board of Selectmen.

The Selectmen recommend this article.

16. To see if the Town will vote to authorize prepayment of property taxes and to authorize the Tax Collector to accept prepayments as provided by RSA 80:52-a.

17. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose, as permitted by RSA 31:19.

18. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 13th day of February, in the year of our Lord nineteen hundred and ninety-five.

Lester E. Huckins
Gloria G. Creamer
JoAnn Brown
Selectmen of Strafford

A true copy of Warrant - Attest:

REPORT FROM THE SELECTMEN'S OFFICE

1994 has been a year of changes in the Town Office. We lost Carl Gustafson who has served us so well as Supervisor of the Checklist. He had been instrumental in getting our checklist on the new computer system before he was forced to retire due to illness.

Mrs. Nancarrow, our Tax Collector, chose to resign the end of 1994. Her replacement will be elected at Town Meeting. Until then, we are fortunate to have Roberta Clark as the acting Tax Collector.

We are including an article in this year's warrant to change the office of Tax Collector to an appointed position effective on the 1996 Town Meeting date. This is being done because the job requires bookkeeping experience in addition to other skills.

The N.H. Emergency Communication Commission will start mapping Strafford the first week of June prior to the implementation of the "911" system. The actual numbering of properties will take place as soon as possible after mapping is completed. We are looking into the cost of buying numbers from the prison, so that all the numbers on the properties in Town will be uniform. This is much more than a convenience factor; it is a vital safety factor too, and we will be asking for the full cooperation of all towns people.

Respectfully submitted,

Lester E. Huckins, Chairman
Gloria G. Creamer
JoAnn Brown

INDEPENDENT AUDITOR'S REPORT

To the Board of Selectmen
Town of Strafford, New Hampshire

We have audited the accompanying general-purpose financial statements of the Town of Strafford as of and for the year ended December 31, 1993, as listed in the table of contents. These general-purpose financial statements are the responsibility of the Town of Strafford's management. Our responsibility is to express an opinion on these general-purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general-purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts of disclosures in the general-purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general-purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amounts that should be recorded in the General Fixed Assets Account Group are not know.

In our opinion, except for the effect on the general-purpose financial statements of the omission described in the preceding paragraph, the general-purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Strafford as of December 31, 1993, and the results of its operations and cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general-purpose financial statements taken as a whole. The individual and combining fund financial statements and schedules listed in the table of contents are presented for puposes of additional analysis and are not a required part of the general-purpose financial statements of the Town of Strafford. Such information has been subjected to the auditing procedures applied in the audit of the general-purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general-purpose financial statements taken as a whole.

Sincerely,

GRZELAK AND COMPANY, P.C.
Laconia, New Hampshire

April 11, 1994

TOWN MEETING - March 8, 1994

The meeting was called to order at 10:00 A.M. on Tuesday, March 8, 1994 at the Strafford Elementary School in the Town of Strafford to act on Articles 1 through 10 of the 1994 town warrant, by ballot vote.

The ballots were cast and the meeting was recessed at 7 P.M. for the purpose of tallying and brought to order again at 8 P.M. by moderator Russell Shillaber.

Mr. Shillaber announced that the meeting would be conducted according to "The Modified Roberts Rules" and all articles on the warrant are motions before the meeting and require no seconds. He asked that the proponents of each article be prepared to address the article before it is opened for discussion.

Article 1: To choose all Town officers for the year ensuing.

Voters on checklist	1,764
Votes Cast	274
Selectman - Three years	
Lester Huckins	202
Trustee of Trust Funds - Three years	
Roger Leighton,	18
Library Trustee - Three years	
Barbara Feldman	223
Road Agent - One year	
Greg Messenger	222
Supervisor of Checklist - 6 years	
Carolyn Young,	227
Moderator - 2 years	
Russell Shillaber,	225

Article 2: Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town's Zoning and Land Use Ordinances as follows:

To delete from Section 1.5.1 A relative to special exceptions the words "seriously", "radically", and "undue" as follows:

"A. No venture shall be permitted which would be (seriously) detrimental or offensive to the owners of adjoining property or to the Town, or which would tend to (radically) reduce property values of other property, or which would cause any (undue) hazard to health or safety, or which would prove offensive to the Town because of noise, air or water pollution, or which would cause any condition contrary to the rural atmosphere of the community."

YES - 166 NO - 61

Article 3: Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town's Zoning and Land Use Ordinances as follows:

To amend the definition of Non-Conforming Structure in Section 1.14.6 to read as follows:

"1.14.6 Non-Conforming Structure. A non-conforming structure is a structure which does not conform to the use, dimensional or other regulations of the district in which the structure is located."

YES -146 NO - 75

Article 4: Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town's Zoning and Land Use Ordinances as follows:

To delete in its entirety Section 1.15, "Growth Control" of the Zoning and Land Use Ordinances.

YES - 119 NO - 92

Article 5: Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town's Zoning and Land Use Ordinances as follows:

To amend Section 1.8.1 by deleting the reference to the Board of Selectmen and adding words "The Board of Selectmen or their designee" as follows:

"1.8.1 The Board of Selectmen or their designee shall have authority to enforce the provisions of this ordinance."

YES - 150 NO - 74

Article 6: Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town's building code as follows:

To amend Section 4.1.7 by deleting the reference to the Board of Selectmen and adding words "The Board of Selectmen or their Designee" as follows:

"4.1.7 Enforcement. The Selectmen or their designee are authorized to enforce the provisions of these Building Regulations through any and all lawful means."

YES - 151 NO - 72

Article 7: Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town's building code as follows:

To add a new section to the Building Regulations as follows:

"4.5 The Zoning Board of Adjustment shall act as the Building Code Board of Appeals pursuant to RSA 673:1,v."

YES - 156 NO - 58

Article 8: Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town's building code as follows:

To add a new section to the Building Regulations as follows:

"4.6 The Selectmen are empowered to adopt and amend, from time to time, a schedule of fees to be charged for building permits, inspections, and certificates of occupancy. To do so, the Selectmen shall first hold a public hearing on the same, with notice to the public by posting and publication at least two weeks prior to the hearing (exclusive of the day of posting/publication and the day of the hearing) and then post the new amended schedule of fees at least two weeks prior to its taking effect. The fees presently charged for such items and services shall continue in effect until amended or superseded in this manner."

YES - 150 NO - 62

Article 9: Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town's building code as follows:

To amend the Flood plain Development Regulations in the Building Regulations which are required for continued eligibility and approval in the National Flood Insurance Program. The proposed new section and definition relate to Recreational Vehicles. It is proposed that the first new subsection be added after present section 4.4.7(2)b.(iii) and that subsequent sections be renumbered/relettered accordingly; the new definition would be added to Section 4.4.8 immediately before the definition of "Regulatory Flood way."

To add a new Section to the Flood plain Development Regulations as follows:

"4.4.7(2)c.: Recreational vehicles placed on sites within Zones A1-30, AH, and AE shall either (i) be on the site for fewer than 180 consecutive days, or (ii) be fully licensed and ready for highway use, or (iii) meet all standards of Section 60.3 (B)(1) of the National Flood Insurance Program Regulations and the elevation and anchoring requirements for "manufactured homes" in Paragraph (c)(6) of Section 60.3."

AND To add a new section to the Flood plain Development Regulations as follows:

"4.4.8 "Recreational vehicle" means a vehicle which is (a) built on a single chassis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self propelled or permanently towable by a light duty truck; and (d) designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel, or seasonal use."

YES - 151 NO - 59

Article 10: Are you in favor of the adoption of the following resolution proposed by the Planning Board relative to the Board's site plan review authority:

"RESOLVED, that the Planning Board, in addition to its present authority to review and approve or disapprove site plans for the development of tracts for nonresidential uses or multi-family dwelling units, is further authorized to review and approve or disapprove site plans for the change or expansion of use of tracts for nonresidential uses or for multi-family dwelling units, pursuant to RSA 674:43."

YES - 147 NO - 65

Article 11: To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Thousand Dollars (\$150,000.) for capital improvements to the following roads:

- a. Water Street (app. .5 mi. extending from area of the Dam to Baker property) ditch work and reprocessed paving.
- b. Brown's Pasture Road (app. .5mi. extending from paved portion near Auger property to Slover property) C.B.R., ditch work and paving.
- c. Lake View Drive a/k/a Murray Hill (app. 800') ditch work and paving
- d. Canaan Road (app. .6 mi. extending from Canaan Back Rd. to the Barrington Town line) C.B.R., ditch work and paving.
- e. Ricky Nelson Road a/k/a Dump Road (app. .25 mi. extending from the machine shop to the Cemetery)

The Selectmen recommend this appropriation. JoAnn Brown addressed the motion. There was no discussion and vote was in the affirmative.

Article 12: To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35 for the future purpose of establishing a storage facility for materials used in the care and maintenance of Town roads (i.e. purchase of land, structure) and raise and appropriate the sum of Five Thousand (\$5000.) to be placed in this fund.

The Selectmen recommend this appropriation. JoAnn Brown addressed the motion and after a brief discussion the vote was in the affirmative.

Article 13: To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.) for the replacement of the forestry vehicle, a 1951 Dodge Power Wagon with a late model four wheel drive ¾ ton pickup. This will be a non-lapsing account per RSA 32:3, VI.

The Selectmen recommend this appropriation. Neil Donahue addressed the motion and after discussion the vote was in the affirmative.

Article 14: To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35 for the future repair or replacement of fire and rescue vehicles and/or equipment and raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.) to be placed in this fund.

The Selectmen recommend this appropriation. Lester Huckins addressed the question and made a motion to amend the article to read:

- 14. To see if the town will vote to establish a Capital Reserve Fund pursuant to RSA 35 for the future refurbishment or replacement of fire and rescue vehicles and/or equipment and raise and appropriate the sum of Twenty Thousand Dollars (\$20,000.) to be placed in this fund.

There was no discussion and the vote to amend was in the affirmative. During discussion on the article as amended, Winthrop Hayes addressed the meeting to praise the rescue people who came to his assistance and literally saved his life last summer. He presented Chief Donahue with a check for \$500.00 in gratitude for that effort. Vote on the article as amended was in the affirmative.

Article 15: To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.) for repair of the hydrants at Bow Lake. This is designated by the Selectmen as a non-lapsing appropriation per RSA 32:3, VI(d).

The Selectmen recommend this appropriation. JoAnn Brown addressed the article.

There was no discussion and the vote was in the affirmative.

Article 16: To see if the Town will vote to establish a Capital Reserve Fund pursuant to RSA 35 for the future purchase of a police vehicle and raise and appropriate the sum of Ten Thousand Dollars (\$10,000.) to be placed in this fund.

The Selectmen recommend this appropriation. Lester Huckins addressed the motion and after brief discussion the vote was in the affirmative.

Article 17: To see if the Town will raise and appropriate the sum of Two Thousand Dollars (\$2,000.) for the purchase of a computer system for the Hill Library and authorize the withdrawal of Two Thousand Dollars (\$2,000.) plus interest from the Capital Reserve Fund established for this purpose, so as to qualify for State Grant money. This is designated by the Selectmen as a non-lapsing appropriation per RSA 32:3, VI(d).

The Selectmen recommend this appropriation. Gloria Creamer addressed the article and made a motion to amend the article to read:

17. To see if the Town will raise and appropriate the sum of Two Thousand and Fourteen Dollars (\$2,014.) for the purchase of a computer system for the Hill Library and authorize the withdrawal of Two Thousand Dollars (\$2,000.) plus interest from the Capital Reserve Fund established for this purpose, so as to qualify for State grant money. This is designated by the Selectmen as a non-lapsing appropriation per RSA 32:3, VI(d).

A second was heard, and after a brief discussion on the motion to amend, the vote was in the affirmative. There was no further discussion on the amended article and the vote on the amended article was in the affirmative.

Article 18: To see if the Town will vote to raise and appropriate the sum of Six Hundred Ninety-one Thousand Thirty-three Dollars (\$691,033.) for general Town operations.

Water Test - Bow Lake	200.
Conservation Commission	750.
Interest Expense & Tax Anticipation Notes ..	2,000.
TOTAL	\$691,033.

(The intent of this article is to raise the sum Six Hundred Ninety-one Thousand Thirty-three Dollars (\$691,033.) exclusive of all the Special Articles addressed)

The article was addressed by the selectmen who explained the line items individually.

Michael Harrington made a motion to amend the article, reducing the "Revaluation of Property Tax Maps" line to \$6,000, the "General Government Building" line to \$7,000, the "Police Department" line to \$75,868, the "Building Inspection" line to \$7,000, the "General Assistance and Welfare" line to \$6,000, and to eliminate the "Sexual Assault Support Service" and the "My Friend's Place" lines completely, bringing the total amount raised to \$675,283. A second was heard and discussion opened. After a lengthy discussion

a motion to move the question was made and seconded. There was no discussion and the vote to move the question was in the affirmative by a $\frac{2}{3}$ majority vote. Vote on the amended article was in the affirmative.

During the discussion of the amended article a motion by Lester Huckins was heard and seconded to amend the amended article to restore the original article in its entirety. After discussion, the vote to amend was in the affirmative. The moderator called for discussion of the original article and after a brief discussion the vote on the article as read was in the affirmative.

Article 19: "We the below signed Town of Strafford registered voters petition the town to place a black top apron at the entrance to fire road 42 at its intersection with Province Road. Fire road 42 is the entrance to Bow Lake Estates. We request that this black top apron follow the natural width of the fire road 42 as it leaves Province Road and extend to the bottom of the steep Hill some 40 to 50 feet from the current black top south east edge of Province Road." (by Petition.)

The Selectmen do NOT recommend this article. Mr. Dolan, the town attorney addressed this article and explained that petition articles must be placed on the warrant as presented even if they are illegal items. In this case the road being petitioned for paving is private property and it is not lawful to spend public moneys on private property.

After a brief discussion the vote on the article was negative.

Article 20: "To see if the town will vote to accept as a public road the street know as Pioneer Lane in the Pioneer Shores subdivision located off Brown's Pasture Road. The road is approximately 2,400 feet long and was built and maintained to town specifications." (by Petition) The Selectmen do NOT recommend this article.

Charles Law addressed the article and after lengthy discussion the vote was negative.

Article 21: To see if the town will vote to choose as the organizational form of the Town's fire department the form provided in RSA 154:1,(a), whereby the fire chief is appointed by the Selectmen and firefighters are appointed by the fire chief, and to recognize the fire department as a municipal fire department. (Selectmen intend to make these appointments annually.)

Neil Donahue addressed the article. After a brief discussion the vote was in the affirmative.

Article 22: To see if the town will vote to authorize prepayment of property taxes and to authorize the Tax Collector to accept prepayments as provided by RSA 80:52-a.

There was no discussion and the vote was in the affirmative

Article 23: To see if the town will vote to authorize the Selectmen to convey property or tax liens acquired by the Town by Tax Collector's Deed, by public auction, or advertised sealed bid or in such other manner as determined by the Selectmen, as justice may require, with this authorization continuing indefinitely, until rescinded.

Town attorney addressed the article. There was no discussion and the vote was in the affirmative.

Article 24: Shall the town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a State, Federal, or other governmental unit or a private source which becomes available during the fiscal year?

There was no discussion and the vote was in the affirmative.

Article 25: To see if the town will vote to authorize the Board of Selectmen to accept on behalf of the Town gifts, legacies and devises made to the Town in trust for any public purpose as permitted by RSA 31:19.

There was no discussion and the vote was in the affirmative.

Article 26: Shall the town accept the provisions of RSA 202-A:4-c providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the public library trustees to apply for, accept and expend, without further action by the Town Meeting, unanticipated money from a State, Federal, or other governmental unit or a private source which becomes available during the fiscal year?

There was no discussion and the vote was in the affirmative.

Article 27: Shall the town accept the provisions of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the Selectmen to issue tax anticipation notes?

There was no discussion and the vote was in the affirmative.

Article 28: To transact any other business that may legally come before this meeting.

Gary Broadbent asked, as Community Club President, for residents to contact him if they knew people they would like to see named "Citizen Of The Year" by that organization.

Pat Catano asked if in the future, speakers at the head table please be furnished with microphones to enable everyone to hear when they speak.

JoAnn Brown offered conservation maps of trails in the town forest.

Dr. Corcoran wanted a definite answer as to how long the Selectmen expected the present recycling center to be useable. Unfortunately, the answer was not in the scope of their knowledge.

Charles Law made a motion to reconsider Article 20 but the moderator ruled the motion out of order as Mr. Law's vote had not been a negative vote on the original vote.

A motion to adjourn was heard and seconded and moderator Shillaber declared the meeting adjourned at 10:15 P.M.

The six elected officers came forward and were duly sworn in to office by the Town Clerk.

POLICE DEPARTMENT ANNUAL REPORT 1994

Troy C. Brisard
Chief of Police

Part-time Officers

Charles Whitten
Corey Landry
Scott Young

Edward Hebert
Robert Leno

Secretary
Suzanne Zielfelder

Below is a list of some of the calls for service received by the Strafford Police Department in 1994.

Accidents	62	Alarms	52
Domestics	34	M/V Warnings Issued	204
M/V Summons Issued	144	Misdemeanor Arrests	24
Felony Arrests	21	DWI Arrests	15
Sexual Assaults	15	Criminal Mischiefs	45
Thefts	38	Burglaries	17

During the year 1994, the Police Department received 1374 calls for service, which is slightly higher than 1993. The solvability in crimes such as thefts and burglaries are higher, as a direct result of participation from citizens in the community who contacted the police when they witnessed something suspicious. With a higher awareness from the community, it enables the police to use the valuable information given to them in solving crimes throughout the town. The Police Department would like to thank all citizens who have taken the time to contact the police when something or someone seemed suspicious in their neighborhood. Due to your efforts, it directly results in keeping crime down in our community.

In 1994, the Police Department started a new program referred to as 'directed patrol'. The police use this program to assist in reducing motor vehicle or criminal violations in a certain section of town. If one particular section of town is experiencing a problem with violators of a certain law or laws, the direct patrol program has an officer focus their efforts on reducing the violations by patrolling the area more frequently during the times of the reported violations or in the case of speeding problems, the officer will provide radar coverage in the problem area, which aids in reducing the violations. To date, the program has proven to be successful and will be used more frequently in 1995.

The D.A.R.E. Program, in 1994, strived forward to successfully graduate over 120 students from the third and sixth grades. The program was funded mostly through a federal grant which the town has been receiving for the past three years. The portion not funded by the grant, was funded by fund raising efforts from the school, police department, and the citizens of Strafford. I would like to thank all who have participated in the fund raising for the D.A.R.E. Program in 1994.

Respectfully submitted,

Troy C. Brisard
Chief of Police

HILL LIBRARY REPORT 1994

Nineteen ninety-four was a year of change for the Hill Library. The computer equipment was purchased and installed and all titles in the library are now entered into the data base. A complete inventory was taken of all books. This inventory was made possible through volunteer help.

Thanks to Merrill Steward, the Editor portion of the Pacemaker computer program is printing cards for the card catalog to both catch and keep the catalog up-to-date. The library trustees have decided to maintain a card catalog as the library has no public access computer station yet.

Bar codes are being put on all books so they can be checked out through the computer. Accomplishing the completion of bar coding the books will be a three year process.

Support from the Strafford citizens has made these improvements possible. The library trustees are grateful for town support and we hope it continues.

Hill Library Trustees

TRUSTEES OF TRUST FUNDS 1994 ANNUAL REPORT

The Trustees of Trust Funds are responsible for all the funds assigned to them, including trust funds and capital reserve funds. They must invest the funds assigned to them in accordance with State and Town regulations, and be accountable for the funds at all times.

The accompanying Report of the Trust Funds of the Town of Strafford -1994 shows the status of the capital reserve funds, trust funds and all the expenditures during the year 1994.

In the Town of Strafford, the Trustees are responsible for the perpetual care of the grave sites for which Town Trust Funds have been established.

The volunteer program in regards to the "adopting a Strafford cemetery", whose decedents of those buried in the cemetery do not live in town or who have not set up a trust fund for perpetual care, has been quite successful. However, we would welcome more volunteers, especially, if you own land surrounding the cemetery. Our adjacent town, Barrington, has an excellent volunteer program, and the volunteers are taking care of at least one cemetery located in Strafford.

The Trustees want to thank all the volunteers that cut brush and mowed grass in cemeteries in Strafford.

M. Justine Leighton
Boyen Thompson
Roger S. Leighton

STRAFFORD HISTORICAL SOCIETY

Members of the Historical Society were actively involved in the restoration of the Waldron Store and the maintenance of Austin Hall during 1994.

Austin Hall was repainted and the dome and weather vane were gold leafed. The porch was re-established on the west end of the Waldron Store and a handicap ramp was installed together with a new heating system and insulation of the entire building.

To commemorate Strafford's 175th anniversary, the Strafford Historical Society and interested townsfolk have updated the Town History book. The History was first published in 1970 to celebrate our sesquicentennial and has been out of print for the last 10 years. The new edition will be available this summer. Reduced rates for books ordered **early** will be taken from March 14th town meeting until the book is published.

We wish to thank the many people who so generously donated their time and monies to keep the Society a vital part of our community. We especially want to thank the Strafford Mutal Fire Insurance Co., that was disbanded this year, for their generous donation.

BOARD OF ADJUSTMENT REPORT 1994

The Board of Adjustment has held six public hearings for the consideration of applications requesting variances or special exceptions to the Zoning and Land Use Ordinances of the Town. The number of times the Board meets during a year is based on the number of applications received.

ANNUAL REPORT OF RURAL DISTRICT VISITING NURSE ASSOCIATION, INC.

Rural District Visiting Nurse Association, Inc. continues as a private, non-profit home health agency certified by medicare in home health and hospice. Our mission is to provide high quality, compassionate home health, hospice and community clinic services. We have continued to grow as the aging population increases, hospital stays are shortened and people are choosing home care over institutional care.

Healthcare reform on the national level is causing a frenzy of activity at the local level. There exists a merge craze in both horizontal and vertical directions. We are keeping abreast of all activity and evaluating all opportunities on their individual merit. Rural District VNA recognizes the importance of networking and alliances to both increase services and contain costs. Our plan is to continue to provide the highest quality of service to residents in our communities in the most effective manner.

Our office is busting at the seams and a building expansion is in the planning stages. Our staff has grown to sixty-one people and we are completing approximately 3,100 visits per month.

Your town contributions are essential to meeting the many needs in your community. We are proud to be meeting these health care needs since 1969 and looking forward to working with you in the future. We would like to express our thanks and appreciation to our Board Representatives from Strafford, Leslie Dupee and Richard Jenisch. Their unselfish generosity of time and talent has helped us accomplish all we do.

STRAFFORD RECREATION COMMISSION REPORT FOR 1994

The summer of 1994 proved to be a summer of changes for the Recreation Commission and the Bow Lake Beach. Some familiar faces were missing and some new faces appeared among the beach staff. Due to these changes, the swimming program had to be adjusted. As in the past, the goal of the Recreation Commission is to involve as many children and adults as possible in the swimming program. The amount of \$1,479, was returned to the Town from the sale of Out-of-Town beach passes and revenues from the swim program.

The summer program at the Bow Lake Beach continues to be the cornerstone of the Strafford Recreation Commission. Over the past few years, we have tried to make some very necessary improvements to this area. These improvements have included the addition of permanent steps leading from the parking lot to the beach area, new signs and the continued use of portable toilets. The carry-in, carry-out trash policy continues to work well and allows us to keep the cost of running the beach manageable.

Recently the Recreation Commission has participated with the town of Strafford and the Strafford Friends of Recreation in a request for grant monies to improve the fields behind the Strafford School. Although the Town of Strafford was not granted the funds, we will continue to explore ways to expand the recreational opportunities for residents of Strafford. In light of this goal, we are asking that \$1,000 from our total budget go towards the Strafford Summer Arts Program. This program will be offering a summer arts experience for 30 children, ages 8-12, at the Strafford School for one week in July.

Vandalism has become a major issue not only for the beach staff, but for members of the Recreation Commission and other concerned citizens of Strafford. The beach remains open after the staff has left, to allow families access on warm summer evenings. Unfortunately, the portable toilets have been tipped over on numerous occasions and trash has been left all over the beach and parking area. This cannot be seen as just a problem for the Recreation Commission, but a problem for the whole town to address.

Carol Heald

ANNUAL REPORT OF STRAFFORD FIRE AND RESCUE

In the early part of 1994, our Fire Tanker was placed in service. The 3100 gallons of water that it provides have proven to be very valuable during this year. There are two houses that are still standing and occupied, in part, because it was available.

When the members of your Fire and Rescue took their hazardous materials training last year, we didn't suspect that we would have to use it so soon. The Fire and Rescue responded to three hazardous materials incidents during 1994 in Strafford and were called to other communities as well. This year, we found ourselves cleaning up an oil spill in Bow Lake. We are happy to report that the material that we have on hand to perform such tasks worked very well and there was no damage to the environment.

The fall of 1994 was one of the driest in years. The department responded to several brush fires during the late fall and expended more resources than we have in recent memory. Even though half of this money is recoverable from the State, we still found ourselves over budget at the end of the year. State regulations require that expended funds come from our budget but income generated is returned to the general fund.

Inspections and public education continue to be our best tool to prevent fires. Each year the department inspects public buildings new homes, wood stoves, chimneys, and heating systems. Each year, we find several conditions that, if they were to remain uncorrected, would result in a fire. Inspections are available at no charge and can be scheduled by calling Chief Donohue at 664-5047

In spite of our best effort, fires continue to occur. The firefighters of the department each spend hours and hours training for the emergency that they hope will never happen. The extensive use of plastics in homes has made fire fighting more dangerous than ever before. Toxic gases are given off even in small fires. This year, we are asking your support to upgrade some of our air breathing equipment to help keep us safe.

Each year the Rescue Team spend hundreds of hours training and maintaining their certifications. They are rewarded by knowing that, from time to time, they have made the difference between life and death for

one of their neighbors.

The investment that the town has made in equipment and training has begun to pay off. Fires have been extinguished with very little property damage beyond what had occurred before arrival. Lives have been saved and the environment protected. Our battle with accidents and nature will continue every year. When the fire or emergency happens every member of the department drops whatever they are doing to come to your aid. We need the support of the people of the town to continue to be successful.

STRAFFORD ROAD AGENT 1994 ANNUAL REPORT

Capital improvements as voted under Article eleven (11) of the 1994 Town Warrant were completed as follows:

Water Street ½ mile	Browns Pasture ½ mile
Caanan Road 1/6 mile	Ricky Nelson Road ¼ mile

with excavation, gravel C.B.R. and paving. Plus 800' of Lakeside Drive was paved.

The regular winter and summer maintenance also include paving of Ledgewood Drive, Beaver Brook and Stacey Roads.

Blasting and ditching on Old Bow Lake Road and Jo-Al-Co (Webber Rd.)

Beaver control proved to be an extensive problem and considerable time was expended trying to relieve this situation.

Vandalism of Street and Road Signs with repeated installation proved expensive and time consuming.

Gregg Messenger
Road Agent

PLEASE NOTE THE FOLLOWING REGULATIONS

87R4. WINTER PARKING - Pursuant to RSA 265:70, the following parking regulation will be established.

a. There will be no parking on all town roads so as to impede snow removal.

Any violations of the above will be subject to a fine of \$5.00 per violation and subject to towing, pursuant to RSA 265:69 and RSA 265:70.

87R5. SNOW OBSTRUCTION - Pursuant to RSA 249:23, the following snow obstruction regulations will be established:

a. Any person who shall put or place or cause to be put or placed any snow or ice upon the surface of the traveled portion of any town maintained road for any purpose, except to provide a place necessary for crossing, recrossing and traveling upon said roads by sleds, logging or farm equipment shall be guilty of a violation if a natural person or guilty of a misdemeanor if any other person. The provisions of this section shall not apply where snow or ice is pushed across the traveled surface of said road for the purpose of snow removal from land adjoining said roads.

Any violation of the above will be subjected to a fine up to \$100.00, pursuant to RSA 249:23.

RECYCLING REPORT

Our Recycling Facility continues to be an ongoing challenge with increased volume requiring additional containers to accommodate the residents. Over the Christmas holiday, we used six open top containers.

Co-mingling has made the process of recycling much simpler and less expensive for the Town. The Wentworth Greenhouse continues to pick up our used motor oil at no cost.

JUST A REMINDER. . . The Center is open Saturday and Sunday from 9:00 a.m. to 1:00 p.m. through the winter. June to October it will be open on Wednesday from 9:00 a.m. to 1:00 p.m. also.

Thank you for your continued cooperation in making this facility as efficient as possible.

PLANNING BOARD REPORT 1994

Applications for boundary adjustments and subdivisions continued to remain at a very low level in 1994. No really controversial applications were brought before the Board. No new applications for major subdivisions (more than three lots) were brought before the Board. There were seven applications for minor subdivisions.

At the present time it would appear that Strafford's apparent destiny as a bedroom community has not changed and unless the economic development in the Tri-City area accelerates, bedroom growth will remain at a low level. On the premise that slow growth is good growth, all is well.

BUILDING INSPECTOR DEPARTMENT REPORT for Calendar Year 1994

This past year saw the largest number of construction of new homes in four years, there were twenty-three. This is more than double last year's figure which was eleven. Strafford continues to be a desirable place to live. As we move toward the future we need to consider the effects that continuous growth has upon the services the Town provides.

Just a reminder, building permits are required for all work done on your property including repairs to septic systems. Permit applications are available at the Town Office. As in the years past, I would like to thank the many people of Strafford for their cooperation during the years I have been their Building Inspector.

Stephen H. Smith
Building Inspector

STRAFFORD CONSERVATION COMMISSION

The Strafford Conservation Commission is working with the Strafford School to develop plans for using the Strafford Town Forest as an outdoor classroom for all eight grades at the school. This year the sixth grade enjoyed a forestry education workshop day at the Town Forest and we are looking to expand the program to all of the grades for future years. We would like to extend our thanks to Don Black, Phil Auger, Bob Paradis and Larry Jacques for their help with this year's sixth grade program. This past summer Thompson School students under the direction of Commission member John Bozak repainted the trail markers for the Spencer Smith Ridge Trail, Link Trail, and Neil Mooers Loop trails on the Storer Lot, Edgerly Lot, and Town Forest/Weidman Lot. Copies of the trail maps for the Town Forest/Weidman Lot, Edgerly Lot, and Storer Lot trails are available at the Town Office. We again urge the people of Strafford to make use of our many Town properties for recreation. If you are not sure how to find the various properties, please do not hesitate to contact any member of the Commission or the Strafford Town Office.

The Commission also had the Nature Conservancy come to conduct a survey of the Town Forest/Weidman Lot, Edgerly Lot, and Storer Lot to assess the size of the Small Whorled Pogonia population on town properties. This pogonia is considered a threatened species, and the Strafford population is one of the larger known populations in New Hampshire.

Members of the Strafford Cub Scouts and Boy Scout Troop 23 again completed projects at the Town Forest. We thank them for their help. We also thank George Kitz who continues his great help to us by mowing the lower meadow around the Memorial Plaque and Town Forest parking area.

Our Commission reviewed eleven applications and conducted several on-site reviews for projects including dredge and fill in wetlands. We review all of the applications submitted for work in wetlands areas and then forward our recommendations to the NH Wetlands Board. We continue to urge anyone planning a project involving work in wetlands, or on the shoreline of Bow Lake to meet with us to discuss the project in advance of completing your applications.

The Commission continues to plan for timber improvement cuttings on several of our Town Forest properties.

Respectfully submitted,
J.B. Cullen, Chairman
John Bozak, JoAnn Brown, Leslie Dupee
Elizabeth Evans, Robert L. Evans, Carl Schroeder

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1994, our three (3) leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27, II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

<u>Fire Statistics</u>	<u>1994</u>	<u>Average 1990-1993</u>
Number of Fires Reported to State for Cost Share Payment	283	443
Acres Burned	217	246

Suppression cost equals \$90,000 plus

Fires Reported by Lookout Towers (1994)

Fires Reported - 588

Assists to Other Towers - 363

Visitors - 21,309

Fires Reported by Detection Aircrafts

89

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

“REMEMBER, ONLY YOU CAN PREVENT FOREST FIRES!”

Lee Gardner, *Forest Ranger*
Glenn D. Pierce, *Forest Fire Warden*

**SCHOOL WARRANT
THE STATE OF NEW HAMPSHIRE**

To the inhabitants of the School District of the Town of Strafford qualified to vote in district affairs:

You are hereby notified to meet at the Strafford School in said district on the 2nd day of March, 1995, at 7:00 o'clock in the afternoon to act upon the following subjects:

1. To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

2. To see if the Strafford School District will vote to approve the cost items included in the collective bargaining agreement reached between the Strafford School Board and the Strafford Education Association which calls for the following increases in salaries and benefits:

<u>Year</u>	<u>Estimated Increase</u>
1994-1995	\$ 9,944.00
1995-1996	\$48,611.00

and further to raise and appropriate the sum of (\$9,944.00) nine thousand, nine hundred, forty-four dollars for the 1994-1995 fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits *over those appropriate for 1994-1995 at the annual district meeting.*

The School Board recommends this appropriation.

3. To see if the School District will vote to raise and appropriate a sum of money not to exceed ten thousand dollars (\$10,000.00) from the undesignated fund balance as of 30 June 1995. Said sum of money to be deposited in the School District Capital Reserve Fund entitled: Capital Improvements/New Construction for the School District, in accord with the provisions of RSA Ch. 35.

The School Board recommends this appropriation.

4. To see if the school district will raise and appropriate ten thousand dollars (\$10,000.00) for the purchase and renovation of a modular classroom unit.

The School Board recommends this appropriation.

5. To see what sum of money the school district will raise and appropriate for the support of schools, for the salaries of school district

officials and agents, for capital construction, and for the payment of statutory obligations of the school district.

The School Board recommends this appropriation.

6. To see if the School District will vote to authorize the School Board to convey, by Quitclaim Deed, an additional area of land fifteen feet (15') deep to the rear or westerly side and adjoining the modular unit and land previously conveyed by the School District to the Town of Strafford pursuant to a vote at the 1990 Annual School District Meeting and to authorize the School Board to execute and deliver a Quitclaim Deed in connection therewith, for the sum of One Dollar (\$1.00).

The School Board recommends this appropriation.

7. "We the undersigned inhabitants of the School District of the Town of Strafford N.H., hereby petition the School Board to raise and appropriate the sum of three thousand four hundred and forty dollars (\$3,440.00) to be used in conjunction with and equal sum of money raised and appropriated by the Strafford Friends of Recreation in a joint project to enhance the basketball equipment in the Strafford School gymnasium. The project will consist of replacing the two main court backboards with glass backboards and breakaway rims, and installing the two existing wooden backboards on the southwesterly wall (opposite bleachers) with fold up supports and height adjusters." (By Petition)

The School Board recommends this appropriation.

8. "To see if the Strafford School District will consider establishing a kindergarten program for the 1995-1996 school year, and further to see if the School District will raise and appropriate the sum of one hundred twenty-three thousand four hundred dollars (\$123,400.00) as the cost items for this program." (By Petition)

The School Board DOES NOT recommend this appropriation.

9. To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forth coming from the United States Government and/or State agencies; private agencies and/or other sources in accord with the provisions of RSA 198:20-b.

10. To choose agents and committees in relation to any subject embraced in this warrant.

11. To transact any other business which may legally come before this meeting.

Given under our hands at said Strafford this 13th day of February 1995.

Gary R. Broadbent
Alfred P. Olson
Bruce Patrick

SUPERINTENDENT'S REPORT

The control of the Strafford School District lies with its' School Board which has been duly constituted and is governed by the State of New Hampshire educational statutes. The School Board exercises its' powers through the adoption of by-laws and policies for the organization and operation of the school district and is responsible for district operations through its chief executive officer, the Superintendent of Schools. The School Board in Strafford consists of three members. Each year new members of the School Board are chosen by the community to serve a full term. These elections take place annually in March. To qualify to represent the community, the candidate must be a citizen and resident of that school district. School Board vacancies occurring by resignation, or some other means may be filled by a majority vote of the School Board within a prescribed amount of time after the vacancy occurs.

All citizens have the right to advanced notice of and attendance at all public meetings of the School Board. Announcements of meetings may be found at the front entrance of the school, at the town office, and at the Superintendent's Office. The School Board is required to meet at least once a month. This meeting, at which formal and official actions are taken by the School Board, may be attended by the general public. The School Board usually holds meetings in Strafford on the second and fourth Wednesdays beginning at 7:00 p.m. At these meetings, there is time set aside for the general public to address the School Board and speak to any concerns which the public may have about the operation of their schools. The School Board periodically will hold workshop meetings, such as for school budget preparation. All workshop meetings are posted in the same manner as regular School Board meetings and the public is invited and urged to attend these open workshop sessions. Minutes of all meetings of the School Board are kept and published on a regular basis. The community, as permitted by law, may be excluded from meetings or portions of meetings when items to be discussed might jeopardize the public interest, or infringe upon the rights of an individual or individuals. Such meetings are called non-public sessions. Such an exclusion would include collective bargaining or negotiations sessions, employment termination, employee evaluation and or discipline or employment of any present or prospective employee. Also, exclusion may further include sessions in which information, if disclosed, would invade the personal privacy of an individual. The School Board, however, must take formal action during a public meeting.

Since my arrival on February 1, 1993, it has been my pleasure to work with our School Board in the administration of education in our community. I feel pleased and privileged to be a part of the educational endeavor and will strive to work as hard as possible to provide the best educational opportunities for all of our children at all grade levels in our school. On behalf of the School Board, I wish to take this opportunity to invite all members of the public to attend any and all functions at our school and any and all School Board meetings as the School Board and Administration are conducting the business of the community in educating our youngsters.

Sincerely yours,

George S. Reid, Ed. D.
Superintendent of Schools

REPORT OF THE PRINCIPAL 1994

Strafford School has reached another milestone as its population has exceeded 500 students, grades 1-8. All classrooms and support spaces are now occupied including three modular units. A portion of another modular unit, owned, operated, and completely funded by the Strafford Learning Center, is being used for storage as in building space has become limited.

Twenty-four classrooms, an art & music room, a Chapter 1 room, a special need's resource room, and a computer lab are utilized daily for instructional purposes. The library, conference room, book room, guidance office, psychological services area, and other support areas are utilized by specialists working with individual or small groups of students throughout each day. Our cafeteria is used daily for instrument lessons, band rehearsal, and assemblies, in addition to the breakfast program and four periods of lunch daily. Our gymnasium is used for physical education classes, sports programs, special programs, and full school assemblies. Our library supports a variety of special programs including lectures, author visits, book fairs, story hours, etc. while also providing extensive library/media services to all students at all levels.

Strafford's plan to integrate technology into the school program continues to move forward. Eight additional multi-media computers have been purchased for classroom usage. All other classroom computers purchased under the current plan have been upgraded to full multi-media capability. Staff and students are participating in extensive training in the use of available hardware, software, and on-line services. American On Line, Prodigy, Internet, and the Scholastic Network are information services available to students in the library, computer lab, and in some classrooms for research purposes, to communicate with individuals, schools, and other institutions throughout the world, and to share ideas and information related to their studies, themselves, and their community. Eventually our entire school will be networked allowing for complete communication within and outside the school from each individual classroom.

Our school is always searching for ways to extend and enrich the curriculum. Through grants, local funding, and donations exciting programs have been made available to our students, which might not otherwise have been possible. Strafford School will be represented by nine Odyssey of the Mind Teams this year guided by staff and volunteers. This program provides the opportunity for students to utilize their knowledge, unique talent, and creativity to solve problems, create solutions and share information by working cooperatively and collaboratively within a team. An African-American Choreographer will conduct a two week residency at Strafford School this year. That residency will enable students at all levels, and a core middle school group, to experience the African culture through dance, movement, and music. Other arts presentations have included The Indian in the Cupboard by the Actor's Theater of Maine, Russian Folk Tales by the Starbird Puppet Theater, a lesson on good nutrition for primary students by Bruce the Moose, a science demonstration by Mr. Wizard, and other special programs designed to reinforce classroom instruction and promote the arts.

Strafford School participated in the State of New Hampshire Assessment Program at the third grade level. Results of that testing, in language arts and math, have been distributed to parents of children taking the test and have been published in state and local newspapers. A summary of Strafford scores, as compared to state averages, along with an explanation of proficiency levels follows this report. Although our third grade scored well compared to state averages, significant curriculum, instructional, and assessment adjustments and modifications were indicated and are in process. The testing program will be expanded in the future to include science and social studies. Eventually students in grade six and high school, as well as those in grade three, will also be tested. Results of state testing will be monitored closely by the staff and administration to insure that Strafford students develop the problem solving, critical thinking, and social skills they need to successfully compete and contribute in the world of tomorrow.

The spirit of volunteerism is alive and well at Strafford School. Under the direction of volunteer coordinator Mrs. Peg Chingas, the volunteer program provides tremendous support to all aspects of the school program. I would like to thank all those who give of their time to support the staff and students at our school and encourage any citizen interested in working at the school to contact Mrs. Chingas or the school office. We'd love to have you.

The administration of Strafford School has become more complex over the past few years given the tremendous increase in population and diversity. The growth continues, making the need for cooperation between school and community even greater. I look forward to accepting the challenge of the future and the privilege of working with the students of Strafford School. They make me believe I have not lost the heart of a child.

Respectfully submitted

Richard A. Jenisch, Principal

LANGUAGE ARTS RESULTS

District: STRAFORD
Grade: 3
Date: MAY 1994

Proficiency Levels

	Students at Each Proficiency Level	District		State	
		N		%	
Advanced: Students at this level demonstrate a thorough comprehension of the materials they read, hear, and view. They are able to identify main and subordinate ideas, supporting details, and facts. They use comparisons and predictions to increase their level of understanding. They can draw conclusions and make critical judgments. Their responses are detailed and reflect careful thought. When writing, they communicate clearly and effectively. They can organize ideas, develop a topic, add supporting detail, and vary both sentence structure and vocabulary. They make few, if any, mechanical errors.	Proficiency Levels	1993-94		1	
		1994-95		2	
		1995-96		1	
		Cumulative Average		2	
Proficient: Students at this level demonstrate an overall understanding of the materials they read, hear, and view. They are able to identify main ideas and draw conclusions. Their responses show thought and are supported with some detail. When writing, they communicate competently and are able to adequately develop and support their ideas. Although they demonstrate a firm grounding in the mechanics of written expression, they may make some errors in spelling and grammar. However, these do not interfere with a reader's ability to understand the text.	Proficiency Levels	1993-94		15	
		1994-95		28	
		1995-96		15	
		Cumulative Average		28	
Basic: Students at this level are able to determine the literal meaning of the materials they read, hear, and view. They can identify clearly-stated main ideas and make direct comparisons. Their responses are sometimes incomplete and are supported with few details. When writing, they communicate at a rudimentary level. Although they employ both simple and more complex sentences, overall their work shows elementary organization, development, and use of detail. While they demonstrate a fundamental control of mechanics, they may make errors in spelling and grammar.	Proficiency Levels	1993-94		27	
		1994-95		51	
		1995-96		27	
		Cumulative Average		51	
Novice: Students at this level are at the beginning of their literacy development. They extract limited meaning from what they read, hear, and view. Although they may be able to locate major details, they are often unable to identify clearly-stated main ideas. When writing, they have difficulty communicating. While it may be related to the point they are trying to make, their written work is minimal and shows little organization, development, or use of detail. A disproportionate number of errors in capitalization, punctuation, spelling, and grammar interfere with a reader's ability to understand the text.	Proficiency Levels	1993-94		10	
		1994-95		19	
		1995-96		10

Assessment Program

MATHEMATICS RESULTS

District: STRAFFORD
Grade: 3
Date: MAY 1994

Proficiency Levels

Advanced: Students at this level are able to solve problems and communicate their answers and problem-solving strategies clearly and concisely. They can accurately add, subtract, and multiply whole numbers to the same extent as proficient students. They have an understanding of fractions and decimals. They are able to add and subtract decimals in everyday situations. They are able to make estimations; use models to demonstrate mathematical concepts; draw conclusions from information presented in charts and graphs; identify, classify, and compare geometric objects; measure accurately; construct simple charts and graphs; and recognize, describe, extend, and create a variety of patterns.

Proficient: Students at this level are able to estimate and compute solutions to problems and communicate their understanding of mathematics. They can, with reasonable accuracy, add 3-digit whole numbers; subtract any two 2-digit whole numbers; and multiply whole numbers up to 5. They are able to demonstrate an understanding of place value as well as the relationship between simple fractions and decimals; read charts and graphs; make measurements; and recognize and extend patterns.

Basic: Students at this level are able to multiply whole numbers up to 5 with reasonable accuracy. They can add and subtract 1-digit whole numbers with ease. When adding or subtracting 2-digit whole numbers, regrouping (borrowing and carrying) presents a challenge. They demonstrate a rudimentary understanding of place value, fractional parts, geometry, and measurement. They can recognize and extend simple patterns and read uncomplicated charts and graphs. They demonstrate limited skill in the application of mathematics to problem-solving situations.

Novice: Students at this level are able to add and subtract 1- and 2-digit whole numbers without regrouping (borrowing and carrying). However, they frequently make errors in these computations. They can recite whole-number multiplication facts up to 5. Although they have some knowledge of place value, fractions, geometry, and measurement, their understanding of these areas is extremely limited. They are unable to demonstrate the application of mathematical skills to problem-solving situations.

STRAFFORD SCHOOL NURSE'S REPORT FOR 1994

As the student population continues to grow, so too, do the challenges facing school nurses throughout New Hampshire, and Strafford is no exception. We now have over five hundred enrolled students in grades one through eight. There were 7800 documented visits to the nurse's office this calendar year! It is important to keep in mind that it isn't just the size of our school that is changing, so is the diversity of our families and their needs. At present, the services I am able to provide include:

- 1) conduct annual health screenings for vision, hearing, height and weight, dental and scoliosis; monitor compliance with state requirements for immunizations; maintain student health records and reports.
- 2) provide emergency first aid and nursing care to injured and ill students and staff, with medical referral when necessary; administer medications and provide follow-up care as prescribed by physicians.
- 3) develop and monitor health education curriculum for students; conduct health-related classroom presentations; serve as a resource person for faculty and staff; provide health counselling and promote self-responsibility for health maintenance.
- 4) participate in parent-nurse conferences, acts as a liaison between home, school and community resources; serve as liaison for recording and reporting cases of suspected child abuse between school and local social service agency

As comprehensive as these responsibilities may appear, there are yet additional goals and objectives that I would like to initiate:

- 1) annual health fair for students
- 2) annual health fair for families
- 3) staff wellness promotions
- 4) produce and publish a school health clinic handbook for families
- 5) monitor the school environment for hazards, sanitations and architectural barriers
- 6) provide health-related evening or weekend workshops for families
- 7) in collaboration with faculty and school librarian, extensively update resource materials in the field of health sciences for teachers and students and
- 8) transfer and maintenance of all students records to computer disk

The New Hampshire School Nurses' Associations describes school nursing as "working together with schools, parents and the community to protect the health of all children." In order for our children to be adequately prepared for the challenges that they will face in their futures, it is my challenge to optimize their health so that they may learn the skills and knowledge that are vital to their successes. This may mean an additional nurse in the near future, increased financial resources, and lots of personal energy and dedication. I seek your support, whether it be in the form of criticism or encouragement, suggestions, continued support of the school budget, or volunteering in the nurse's office. I thank you for the continued opportunity to serve our school families in this role.

Sincerely,
Irene A. Abels, RN

DEPARTMENT OF REVENUE ADMINISTRATION

To: Strafford

Date: October 24, 1994

Your report of appropriations voted and property taxes to be raised for the 1994-1995 school year has been approved on the following basis:

TOTAL APPROPRIATION	<u>\$3,817,921.00</u>
---------------------	-----------------------

REVENUES & CREDITS AVAILABLE TO REDUCE SCHOOL TAXES

Local Revenue Other Than Taxes:

Earnings on Investments	2,000.00
Pupil Activities Food Service Receipts	61,276.00
Other Local Sources Classroom Lease	1,000.00
Trust Fund Income	
Special Purpose Warrant Article No. 3	10,000.00
Special Purpose Warrant Article No. 4	15,000.00

TOTAL REVENUE AND CREDITS	596,473.00
DISTRICT ASSESSMENT	<u>3,221,448.00</u>
TOTAL APPROPRIATION	\$3,817,921.00

STRAFFORD SCHOOL DISTRICT INDEPENDENT AUDITOR'S REPORT

Members of the School Board
Strafford School Report

I have audited the accompanying general purpose financial statements of the Strafford School District, as of and for the year ended June 30, 1994 as listed in the table of contents. These financial statements are the responsibility of the Strafford School District's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. These standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the combined financial statements referred to above present fairly in all material respects, the financial position of the Strafford School District as of June 30, 1994 and the results of its operations for the year then ended, in conformity with generally accepted accounting principles.

My audit was made for the purpose of forming an opinion on the combined financial statements taken as a whole. The supporting schedules listed in the index are presented for the purposes of additional analysis and are not a required part of the combined financial statements of the Strafford School District. The information has been subjected to the auditing procedures applied in the audit of the combined financial statements and in my opinion, is fairly stated in all material respects in relation to the combined financial statements taken as a whole.

August 29, 1994

Respectfully submitted,

L. Patrick Kelly, CPA

Assistant Superintendent	\$52,530.00
Business Administrator	\$28,437.00 (Pro-rated partial year)

MINUTES STRAFFORD SCHOOL DISTRICT ANNUAL DISTRICT MEETING MARCH 16,1994

The Annual School District Meeting was held at the Strafford School for the 1994-95 proposed budget.

The meeting was called to order at 7:00 p.m. by Moderator, David Meserve.

Mr. Bruce Patrick introduced the following people at the head table; School District Clerk Corinne DiVirgilio; School Member Elect Gary Broadbent; Board Member Dr. Alfred Olson; Superintendent of the Schools Dr. George Reid; Assistant Superintendent of Schools Dr. Michael Frechette; Principal Richard Jenisch.

Copies of the Strafford School District Proposed Budget 1994-95 FY95 and the Strafford School District Proposed School Budget 1994-95 FY95 "Narrative Description" were available at the door and are attached hereto.

The Moderator advanced ARTICLE 1: To hear the reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

Mr. Patrick moved the Article 1 as read. Dr. Olson seconded the motion.

The Moderator called for questions on the Article. There were no questions.

A vote was taken. The vote was in the affirmative.

The Moderator advanced ARTICLE 2: To see whether the School District will vote to raise and appropriate the sum of _____ which would fund all cost items relative to teacher salaries, fringe benefits and cost items for the 1994-95 school year, resulting from negotiations between the Strafford School Board and Strafford Education Association/NEA-New Hampshire and which represents the negotiated increased over the 1993-94 salaries, fringe benefits and related cost items.

Mr. Patrick moved that the District vote to pass over Article 2 and advance to Article 3. Mr. Broadbent seconded the motion.

Mr. Michael Harrington asked what will happen if this was done.

Mr. Patrick indicated that the School Board and Negotiating Team are at an impasse and that in order to fund any kind of salary package for the teachers as well as benefits there would have to be a special school district meeting.

A vote was taken. The vote was affirmative.

The Moderator advanced ARTICLE 3: To see if the School District will vote to raise and appropriate a sum of money not to exceed ten thousand dollars (\$10,000.00) from the undesignated fund balance as of 30 June 1994. Said sum of money to be deposited in the School District Capital Reserve Fund entitled: Capital Improvements/New Construction for the School District, in accord with the provisions of RSA Ch. 35.

Mr. Patrick moved Article 3 as read. Dr. Olson seconded the motion.

Mr. Jerry Waldron asked if this money was for the heating system and that at the March 1992 District Meeting Mr. Kitz said the heating system price was \$18,000 and we now have \$22,000 in Capital Reserve. Mr. Waldron asked why do we now need \$32,000 for a \$18,000 unit.

Mr. Patrick explained that at that time that was the price of the unit and that he does not know the cost of the unit now. Mr. Patrick further explained that there has been some comprehensive water testing and there is a minute lead problem in some of the faucets in the school and there may be a need to put in a filtration system and this money could be used for that also.

Mr. Michael Harrington asked what the anticipated amount of money that might not be

spent.

Mr. Patrick estimated that if the two warrant articles pass they could possibly turn back roughly 60 to 65 thousand dollars to offset funds. Mr. Patrick further explained that the Capital Reserve cannot be used unless there is a special hearing and the town gets to vote on spending the money.

The vote was taken. The vote was affirmative.

The Moderator advanced ARTICLE 4: To see if the school district will raise and appropriate a sum of money not to exceed fifteen thousand dollars (\$15,000.00) from the undesignated fund balance as of 30 June 1994. Said sum of money to be used to purchase additional computers and software that will complete phase two of Strafford's Technology Plan.

Dr. Olson moved Article 4 as read. Mr. Broadbent seconded the motion.

Mr. Waldron asked if he could amend the article so that \$5,000.00 could go towards computers and the remaining \$10,000.00 go back into the budet where line items had to be cut.

Mr. Patrick explained that the Board will use the unspent balance at the end of year to buy some of the things for next year if that is what the public wants them to do. That won't take an article to do that they'll just do that. They will buy individual things that the public thinks they should put into the school.

Mr. Waldron asked to amend the article to read \$5,000.00 for computers. An unidentified person seconded the motion.

The Board explained that there will be a long term savings by passing this article now.

Mr. Skip Houle asked how Phase I was funded.

Dr. Olson explained that it was surplus moneys from last year and donations of cash and hardware.

Mr. Houle asked for an explanation of encumbered funds.

Mr. Patrick explained that Board is elected to develop and to budget throughout the year. At the end of last year there were surplus and there was also a person willing to donate a matching grant in order for the school to develop a computer lab. The School Board in order not to lose those matching funds voted to encumber any money over \$90,000.00 for Technology Facility improvements. The Board acted as the town wanted it to, as representatives of the people and the children of the school. To develop something in the school that would be beneficial to all people.

Mr. Patrick explained that encumbered as of July 1st any money that is not earmarked for specific items is turned back to the town to reduce taxes.

Mr. Houle stated that he spoke with the Department of Revenue Administration this morning and they told him the definition of encumbered funds was legally enforceable obligations for the period in which you're working.

Mr. Jack Dolan explained that while this budget was being prepared there were substantial changes in the Municipal Budget Act. One of those changes was the way that funds can be encumbered and the tightening up of the language.

Mr. Patrick did explain that there was a purchase order for the computers.

Mr. Dolan explained that you can move money around the budget as long as you don't expend the bottom line.

A vote was taken on the amendment. The amendment was lost.

The Moderator moved back to the original motion to raise \$15,000.

A vote was taken. The article was affirmative.

The Moderator advanced ARTICLE 5: To see what sum of money the school district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, for capital construction, and for the payment of statutory obligations of the school district.

Mr. Patrick moved that the school district vote to raise and appropriate the sum of three million, eight hundred seventeen thousand, nine hundred twenty-one dollars and forty-six cents (\$3,817,921.46) for the support of schools, for the salaries of school district officials and agents, for capital construction, and for the payment of statutory obligations of the school district. Mr. Broadbent seconded the motion.

A vote was taken. The article was affirmative.

The Moderator advanced ARTICLE 6: To see if the School District will authorize the School Board to appoint a committee to study and review the possibilities of withdrawing from School Administrative Unit No. 44 and initiate appropriate procedures to act upon the recommendations of the committee.

Dr. Olson motioned to amend the Article to read: That the School District vote to authorize the School Board to act upon the information provided by the committee which was established to study and review the possibilities of withdrawing from School Administrative Unit No. 44 and initiate appropriate procedures to act upon the recommendations of the committee. Mr. Broadbent seconded the motion.

Mr. Harrington asked for an explanation as to authorization to do what and has the committee reached any preliminary or conclusions at this time.

Dr. Olson explained that the committee has not reached any conclusion. It is in the process of formulating the plan. The intent of this warrant is to arouse the School Board to act on the recommendations whatever they might be. It is the first step in allowing separation from SAU No. 44. The School District has to vote as to whether or not to leave SAU No. 44.

Mr. Patrick explained that Strafford has the smallest number of votes at the Joint Board Meeting, we don't have any local control over what happens. The Board does not know if they can run their own administrative office for \$105,000.00. By State Law we are obligated to have two certified administrators.

Mr. Jack Creamer asked if there will be a public hearing prior the School Board having their meeting.

Mr. Patrick said that the Board would have a public hearing.

A vote was taken. The vote was affirmative.

The Moderator advanced ARTICLE 7: To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forth coming from the United States Government and/or State agencies; private agencies and/or other sources in accord with the provisions of RSA 198:20-b.

Mr. Broadbent motioned to adopt the article as read. Mr. Creamer seconded the motion.

A vote was taken. The vote was affirmative.

The Moderator advanced ARTICLE 8: To choose agents and committees in relation to any subject embraced in this warrant.

Mr. Broadbent moved the article as read. Dr. Olson seconded the motion.

A vote was taken. The vote was affirmative.

The Moderator advanced ARTICLE 9: To transact any other business which may legally come before this meeting.

Mr. Patrick moved the article as read. Mr. Broadbent seconded the motion.

The meeting adjourned at 7:45 p.m.

Respectfully submitted,
Corinne DiVirgilio
School District Clerk
